# The Maldives

## DID YOU KNOW?

- Maldives is the lowest country in the world.
- Ninety-nine percent of Maldives is water.
- Maldives, has a stunning literacy rate of 98%.
- Every element in the Maldives flag is symbolic – the crescent moon stands for Islam, the green section represents palm trees, and the red background symbolizes the blood shed by Maldivian heroes.
- Maldives is one of the safest travel destinations on the planet – the island resorts, specifically, since they are largely isolated.
- The word “atoll” is derived from the Divehi word *atholhu*, which means a ring-like coral island surrounding a lagoon. It is the only English word derived from Divehi.
- The Maldives has rich marine life, with over 2,000 species of fish, ranging from colorful reef fish to reef sharks, moray eels, and a wide variety of rays. The Maldivian waters are also home for the whale shark.
- Not only is Maldives the smallest country in Asia, it is also the smallest Muslim country in the world.

# Location

Cinnamon  
VELIFUSHI  
Maldives

The island of Velifushi is situated 67km from the Male in the **Vaavu** Atoll and is accessible by sea plane journey of 25 minutes during daylight hours or on a speed boat journey of 75 minutes which is operating 24 hours.

**Vaavu** Atoll embodies tranquility and tradition. Its many small islands embrace a more traditional Maldivian lifestyle with an obvious love of fishing and music. **Vaavu** Atoll is the smallest and least commercialized atolls in the Maldives. The beaches are often deserted and dive sites empty perfect for divers looking for that private experience.

**Vaavu** Atoll is also home many famous dive sites and “**Fotteyo Kandhu**” is considered as one of the best in Maldives and also the largest unbroken barrier reef in the Maldives.

## **Snorkeling with Nurse Sharks**

Velifushi shores especial the Jetty area attracts a large number of marine life including the magnificent Nurse Sharks and it's within our reach to take you to show these unhurried, harmless to human creatures glide leisurely along the reef.

## **Dolphin safari**

Maldives is ranked among the top five places on Earth for watching dolphins with over 20 different species of dolphins present in the Maldives waters. If you are lucky, you might even spot some Dolphins on your way to Velifushi.

## **Diving**

Diving in Vaavu Atoll is fantastic for large pelagic fish life as the atoll have the most numerous channels in the Maldives archipelago which ensures lots of amazing dive sites.

The island of of Velifushi is located conveniently at the best possible position in the atoll which is in the middle of the eastern barrier ensuring access to all the best dives sites in the atoll from the north and south in a relatively short time.
